

## REMARKS

Applicant thanks Examiner for the careful examination of the application. In the official communication dated June 9, 2010, claims 1-4, 7, 9, 10, 13-16, 18-23, 25, 27, 31, 33-40, 42, 44-48, 50-63, 65-68, 71-75 and 96-101 have been allowed. Claims 69, 76, 70 and 77 stand objected to under 37 C.F.R. 1.75 as being duplicates of claims 66, 67 and 68. Claims 69, 76, 70 and 77 have been cancelled by Applicant. Claim 6 stand rejected under 35 U.S.C. 112, second paragraph, as being indefinite. Applicant has cancelled claim 6. Claim 24 stands objected to because of an informality. Applicant has cancelled claim 24. Claim 19 has been amended to correct a slight informality not yet identified by Examiner. A comma was inserted into claim 19.

Applicant believes the claim cancellations and amendment to claim 19 now place the application in condition for allowance. Given the amendments and the indication by Examiner of allowable subject matter, a formal notice of allowance and early issuance of Applicant's application is respectfully requested.

The Examiner is encouraged to contact the undersigned representative about the present application should there be any outstanding matters that need to be resolved in the present application.

Respectfully submitted,

Dated: June 16, 2010
